CONSENT ORDER

TO ENGAGE IN THE PRACTICE OF OPHTHALMIC DISPENSING IN THE STATE OF NEW JERSEY

This matter was opened to the New Jersey State Board of Ophthalmic Dispensers and Ophthalmic Technicians (the "Board") upon review of an inspection report from the Division of Consumer Affairs, Enforcement Bureau which alleged that respondent, Ali Elhabbak aided and abetted the unlicensed practice of ophthalmic dispensing at OPTICA, located at Garden State Plaza, West State Route 4, Suite 114, Paramus, New Jersey, that the premise did not have a colmoscope nor a sign stating "No Lab on Premises" and he

failed to wear an identification tag that included his license number and level of licensure.

Respondent appeared pro se before the Board on November 18, 2009 and testified that he currently works at OPTICA, located at 1200 Morris Turnpike, Suite D229, Short Hills and Garden State Plaza, West State Route 4, Suite 114, Paramus, New Jersey. Respondent began working at the OPTICA stores in November 2008. Respondent admitted that he was aware that unlicensed individuals gave eyewear to customers at both stores but asserted that he did not permit these individuals to dispense eyewear when he was Respondent testified that when the inspector visited OPTICA there was no sign at the establishment stating that there is "no laboratory on premises," but immediately after the inspection a sign was placed at both premises stating that information. Respondent admitted that on September 15, 2009 the Garden State Plaza OPTICA store did not have a colmoscope, did not have a sign stating "no laboratory on premises" and that his identification tag did not include his license number or his level of licensure. Respondent testified that he had not previously read the statutes and regulations.

Having reviewed the entire record, including the inspection report, patient records and respondent's testimony, the Board finds that respondent aided and abetted the unlicensed practice of ophthalmic dispensing, in violation of N.J.S.A. 45:1-21(n), that respondent practiced ophthalmic dispensing in a premise without

required equipment, in violation of N.J.A.C. 13:33-3.6(a)3, without a sign stating "no laboratory on premises," in violation of N.J.A.C. 13:33-3.6(b) and without an identification tag bearing his license number and level of licensure, in violation of N.J.A.C. 13:33-5.3.

It appearing that the parties desire to resolve this matter without recourse to formal proceedings, and respondent waiving any right to a hearing and for good cause shown,

IT IS ON THIS 25th DAY OF May, 2010 HEREBY ORDERED AND AGREED THAT:

- 1.
